Proposed I-94 / 66th Street Interchange Fast Growing Northeast Bismarck

Proposed Commercial Zoning

Rare Opportunity to acquire the prime NW corner of this possible I-94 Interchange or Overpass

- I-94 Exit 161 is an exciting fast growth area of Bismarck. This prime location is east of Exit 161 and will be the first Interchange in east Bismarck.
- This 66th Street corridor is planned as a bypass route connecting to 71st Avenue taking traffic west to State Street / Hwy 83 N.
- This area's growth was enhanced by the newly completed 4-lane east-west Century Avenue thoroughfare project that now intersects with Centennial Road just north of Exit 161 / I-94 Interchange. Century Avenue will continue east and intersect with 66th Street north of this parcel.
- A new retail center, Sunrise Town Centre, is at the NE quadrant of East Century Avenue & Centennial Road. Spurring the continued growth of this area to the east. Bismarck's dominant grocer, Dan's Supermarket, Williquors, BNC Bank, Caribou Coffee, Einstein Bros. Bagels, Gate City Bank, Exxon, Burger King, Sunrise Professional Center, and a new strip center, "Sunrise Square", is in this new development.
- This general Area is experiencing a tremendous amount of residential growth. Sunrise Elementary is already at capacity after building a new addition to the school.
- A new Bismarck public high school, Legacy High School and Sports Complex is located just west of Centennial Road on 64 acres which brings more traffic and families to this NE area of Bismarck.
- A future possible overpass will also provide direct access on 66th Street to and from Lincoln, a fast growing community just 5 miles south of I-94. The Bismarck Public Schools are just completing a new grade school in Lincoln which is located on 66th Street.
